DEAR DONORS,

2024 was another extraordinary year of giving from our community – a record-breaking year, to be exact! Gifts from our community partners and supportive donors helped Baxter Health Foundation raise \$2,925,042!

We are truly thankful for our donors' giving spirit. Whether you have been contributing for many years or are brand new to our donor family, THANK YOU. This outpouring of generosity helped us touch the lives of so many that utilized our hospital last year. Baxter Health is better because of our donors!

Our community continues to inspire us each and every year. Your gifts helped provide funding to keep our hospital updated with the newest equipment, the latest technology, and state-of-the-art facilities, all so that Baxter Health can champion access to compassionate high-quality healthcare for the communities we love.

We will be focused on raising \$2,500,000 again this year, and we will need your continued support to accomplish this goal. Your philanthropic heart is needed to help us not only touch more lives, but save more lives in our community. This is especially true with our opportunity to be a part of our latest capital campaign: Heartbeat of Hope, which will allow us to build another much needed cath lab at Baxter Health. We know our generous community will once again respond to the needs of our hospital, and we ask you consider a gift this year towards this campaign.

On behalf of the Foundation staff, to each and every one of you in our donor family – we say 'thank you!' We are truly blessed to live in an amazing community that has a heart for others, and we love sharing with you all the success you helped us accomplish within this annual report. I hope it inspires you to be a part of our donor family again in 2025.

Thank you again for blessing us with your gifts in 2024, and we look forward to raising money to keep our community healthy again this year.

Sincerely,

Sarah Edwards, Executive Director

“The Foundation exists to support our great hospital, which is integral to the local community in so many ways. Keeping it non-profit, locally controlled, and locally focused is, in my opinion, vitally important to this area staying as great as it currently is and maintaining those qualities as we grow in the future.”

ANNUAL EVENTS

RAISED MORE THAN \$154,000

BLACK & WHITE BALL

A sold out crowd attended the Black and White Ball on Saturday, February 24. Guests were dressed in their finest, and everyone had a great time! The theme was Black & White – with a little added twist of James Bond. There were numerous photo opportunities, including the always fun photo booth, a fabulous dinner and guests packed the dance floor all night with the music of Members Only. A record \$70,000 was raised to support the Baxter Health Community Houses.

ROCK THE BARN

The Mruk Family Center on Aging held their annual fundraiser, Rock the Barn, on Saturday, April 20 at the Baxter Health Wellness Education Center. The barn style building was decorated with a western flair – perfect for this event! The evening featured the Jerry Hopper band, a silent auction with themed baskets, and a 50/50 drawing. A delicious dinner catered by Rapp's Barren Brewing Company was provided by Anstaff Bank, and volunteers from the Mruk Family Center on Aging brought irresistible desserts. A great time was had by all, and \$25,000 was raised to support this vital community service.

OUTRUN CANCER 5K

The Peitz Cancer Support House held their 2nd annual Outrun Cancer 5K on Saturday, June 1 on the Arkansas State University-Mountain Home campus. This event served as an opportunity for those touched by cancer to gather together to honor, remember and support those affected by cancer, and \$29,000 was raised for PCSH services and programs.

HAWG WILD TAILGATE PARTY

The Schliemann Center for Women's Health annual fundraiser always draws a great crowd and plays a major role in supporting the community house. New this year was their Hawg Wild Tailgate Party in September, held under big tents in the parking lot next to the center on the Baxter Health campus. A large crowd enjoyed the Razorback game on big screen TVs along with great BBQ, drinks, cornhole tournaments, yard games, and a silent auction. This was their largest and most successful fundraiser in the history of the Schliemann Center, raising more than \$30,000.

HEROES WITH HALOS

161 HONORED IN 2024

After receiving care at Baxter Health, many of our patients and their families often tell us it is difficult to express the gratitude they feel for the caregivers that touched their life in a special way. The Heroes with Halos program provides them with an avenue to say 'thank you' and to also provide a monetary gift to the area of their choice.

IN 2024, A PATIENT FAMILY MEMBER WROTE:

Recently, my mother was admitted to the Hensley Behavioral Health Center. She had been diagnosed with severe dementia and required constant care. My dad had been her caretaker and passed away recently – now I'm making sure that she received the best possible care of this awful disease. Upon being granted guardianship, I learned that she had not been taking her meds, and this was the best place to help me learn how to take care of her.

I cannot begin to tell you how lost I was when I started this journey. The staff were not only caring, but the compassion that they showed me was beyond what I would consider their normal job duties. They held my hand, listened to me when I cried, and wrapped their arms around me when I felt I could not breathe. When I visited my mother and did not know exactly how to help her, all I had to do was look their way, and they were right there beside me explaining the process of this horrible disease. They helped me navigate my new normal and I will forever be thankful to each of them.

Everyone on staff are true heroes and angels who are dedicated to helping those who need help beyond what families can provide when admitting a loved one. That type of compassion comes from within, and it takes a special individual to provide this type of care. Not only were they compassionate to the families, but the patients as well. They genuinely love their jobs, and it shows.

Thank you again for everything that you all did for me, and thank you for giving the best possible care to my mother.

GIVING TUESDAY

RAISED OVER \$108,000

Giving Tuesday was held on December 3. Thanks to the Baxter Health Auxiliary, who matched gifts up to \$50,000, there was a one-day total of more than \$108,000 donated to the Baxter Health Community Houses!

MAJOR GIFTS

\$1,547,497 TOTAL IN 2024

CLINE EMERGENCY CENTER REMODEL: \$1,012,445

The Cline Emergency Center underwent a significant remodel in 2024. The project enhanced the center by adding patient rooms, rapid care room, trauma rooms, waiting areas, a consultation room, and streamlining the check-in process. These enhancements ensure a more efficient and comfortable experience for patients and their families.

We extend a heartfelt thanks to Brad and Lani Hasselwander for their support in completing the consultation room at the Cline Emergency Center. This room is a dedicated space for doctors to meet with patients' family members during times of need.

The Foundation is also immensely grateful for the ongoing support from the Cline family. Since 2002, they have contributed to the Foundation and Baxter Health by generously giving their time, resources, and talent. The Cline legacy gift will have a profoundly positive impact on the patients treated at the Cline Emergency Center for many years to come.

MEDICAL GAS ALARM PANEL: \$138,000

In 2024, fundraising efforts enabled us to purchase the hospital two new Tri-Tech Medical Gas Master Alarm Panels. These devices are essential for monitoring the levels and flow of medical gases in the hospital. This system is designed to alert staff to potential issues with the medical gas supply, such as low gas levels or leaks in the supply lines, which could affect the availability of these gases for patient care. The alarm panel plays a crucial role in the overall medical gas system, ensuring that patients have access to the necessary gases for treatment.

LDR FURNITURE: \$56,000

Thanks to the incredible generosity of the Baxter Health Auxiliary, the Lagerborg Dining Room received new tables and chairs. This dining room hosts various functions at Baxter Health, including board meetings, staff training sessions, and hospital celebrations. The addition of the new furniture enhances both the functionality and aesthetic appeal of the room.

INFANT SIMULATOR, BABY CHRISTIE: \$55,000

Thanks to the generous donation from Ed and Gayle Goodman, the Ed & Gayle Goodman Sim Center received an advanced infant simulator manikin in 2024. This gift was made in memory of Gayle's daughter, Christie. The CAE Luna "Baby Christie" is an innovative infant simulator designed to meet clinical training requirements for neonatal and infant care, simulating critical newborn conditions that necessitate a coordinated response from an interprofessional team. Baby Christie will help Baxter Health clinicians' confidence in caring for newborns during their first 28 days of life. The Foundation is grateful for the Goodman's ongoing support of the Sim Center and Baxter Health.

PHYSICAL THERAPY BALANCE SYSTEM: \$20,000

The Foundation raised donations to purchase a Biodex Balance System for the Physical Therapy department. This system features an interactive, dynamic platform that measures the strategies patients use to maintain their balance. The Balance Master® provides both static and dynamic assessments, offering quantitative data on sensory and voluntary motor control related to balance.

STAXI TRANSPORT CHAIRS \$17,300

Thanks to the generous support of the Baxter Health Auxiliary, the Foundation was able to purchase twelve new Staxi Transport Chairs for the hospital. These transport chairs provide safe, secure, and quiet patient transportation throughout the hospital.

SECURITY DEPARTMENT RADIOS: \$12,500

With gifts from donors Sue Bany and Benjamin Reed, the Foundation was able to purchase a Kenwood Two-Way Radio System for the Security Department. Effective communication is crucial when addressing security issues. Providing our officers with this new system was a true honor. We are grateful for the dedication of the security department and appreciate all they do to ensure the safety of patients, employees, and visitors at Baxter Health.

Charitable gift annuities can provide you with risk-free income. A gift of stock, real estate or cash to the Baxter Health Foundation gives you the security of lifelong payments that are NOT subject to market risk. The amount of income is determined by your age at the time of your gift. We offer single and dual life options for charitable gift annuities.

A CGA meets the needs of many who wish to give but want to make certain they have first provided for their own financial needs and those of their loved ones. This safe and secure charitable option is backed by the assets of Baxter Health Foundation and Baxter Health.
