## Do you experience leaks?

## Are you tired of constantly having to go to the restroom?

**Important Safety Information:** Implantation and use of the Axonics System can result in various risks, including but not limited to risks normally associated with surgery, some of which may require surgical intervention, and risks related to patient use of the device.

Results and experiences may vary and are unique to each patient. No promise or guarantee is made about specific results or experiences. Talk to your doctor about whether the Axonics System is right for you and to discuss the potential risks and benefits. For more information about safety and potential risks, go to: [www.axonics.com/isi](http://www.axonics.com/isi).

Caution: Federal law (USA) restricts this device to sale and use by, or on the order of, a physician.
