

BETTER SITTERS TODAY. BETTER PARENTS TOMORROW.®

The Best Babysitter is a Safe Sitter.®

When you accept a babysitting job, you accept the responsibility for a child's life. Taking a Safe Sitter® class will help prepare you to be a more responsible babysitter. *And you'll have fun!*

Baxter Regional Medical Center presents Safe Sitter®

Choose one of three 2-day sessions scheduled this summer:

Thursday, June 18 and Friday, June 19

Thursday, July 16 and Friday, July 17

Thursday, August 6 and Friday, August 7

9 a.m. – 3 p.m. *(Lunch will be provided.)*

Be a Safe Sitter®

- Would you know how to rescue a choking child?
- What if the child got a nosebleed?
- Do you know how to screen baby-sitting jobs to decide when to accept or refuse?
- Would you know what to say if you had to call 911?
- Do you know how to change a diaper?
- Safe Sitters learn these things...and more!

A Message to Parents...

Safe Sitter® is a medically accurate program that teaches young adolescents how to handle emergencies when caring for children.

This class teaches safe and nurturing child care techniques, behavior management skills, and appropriate responses to medical emergencies.

For more information, visit www.safesitter.org.

Cost is \$35 and includes Safe Sitter® student manual, completion card and messenger bag with supplies. Scholarships are available based on financial need.

To register your son or daughter, call the Schliemann Center for Women's Health Education at (870) 508-2345. To register online, visit the SCWHE calendar at www.baxterregional.org.

Completed Registration Form, Student Contract and payment must be received 1 week prior to class day. Registration Forms and Student Contract are available at the Schliemann Center. Participants must be 11 - 13 years old by the class date.
