

BAXTER HEALTH FOUNDATION

2023 ANNUAL REPORT

Inspired Generosity

FOR THE COMMUNITY WE LOVE

\$2,515,203
Raised in 2023
With the Help
of our Donors

Extraordinary Year

2023 was an extraordinary year of giving from our community! We are thankful for our donors, whether you have been contributing for many years, or brand new to our donor family – we are thankful for your giving spirit.

It is because of all our donors, that Baxter Health Foundation raised \$2,515,203 last year!

Our Community

Our community continues to inspire us each year; providing funding to keep our hospital updated with the newest equipment, the latest technology, and state of the art facilities, all so that Baxter Health can champion access to compassionate high-quality healthcare for the communities we love.

2024 Goals

As we strive to do more in 2024, we will be focused on raising \$2,500,000 again this year. Your philanthropic heart is needed to help us accomplish this goal. We know our generous community will once again respond to the needs of our

community hospital. Each dollar raised makes a difference in the lives that we have the opportunity to serve every day.

From all of our staff, to each and everyone one of you in our donor family – thank you!

We Are Truly Blessed

We are truly blessed to live in an amazing community that has a heart for others. We love sharing with you all of the success of the Foundation within this annual report and I hope it inspires you to give again this year.

Thank You Donors!

Thank you for blessing us with your gifts in 2023 and we look forward to a record year in 2024 of raising dollars to keep our community healthy!

Sincerely,

Sarah Edwards, Executive Director,
Baxter Health Foundation

Women in Philanthropy

WHO SUPPORT BAXTER HEALTH

Vision

A community of women promoting the welfare of others with generous donations to Baxter Health.

Mission

To unite contributions from women in support of Baxter Health through a collective voice.

Purpose

- Cultivate a community of women as philanthropic leaders
- Create a new substantial pool of money from women
- Allocate funds based on majority preference
- Celebrate the impact

Overview

Women in Philanthropy members are friends who recognize that women, as donors, make a tremendous impact on healthcare. This impact grows exponentially when the contributions from women are united in support of Baxter Health through a collective voice.

Women in Philanthropy was created by women in support of Baxter Health while, at the same time, encouraging women as philanthropic leaders.

Community health centers must have supporters who are continually looking for new and innovative ways to generate funding in support of the health system's mission. Women in Philanthropy is one such group. Women in Philanthropy identifies timely opportunities at Baxter Health; particularly those with an emphasis on the enrichment of women's lives, and together chooses how to direct the group's pooled resources.

Criteria for Membership

Baxter Health Foundation's Women in Philanthropy membership is open to all who support the work of Baxter Health. Membership requires a minimum commitment of \$500 per year.

As a member, you will be invited to events planned for Women in Philanthropy, and though attendance is encouraged, it is not required.

Voting Privileges

The central activity of Women in Philanthropy is the distribution of funds annually to selected Baxter Health programs through a voting process.

Voting occurs each year in January to distribute the previous year's funds. Benefits

- Collaborating with informed and empowered women that choose to enhance the lives in our community.
- You get a vote! As a member of the group, your voice is equal to that of all other members regarding the programs to be funded.
- Learning firsthand how your support makes a difference at Baxter Health.
- Your contribution will be acknowledged in Baxter Health publications.
- All donations are tax deductible, and 100% of your donation is used for the voted-on cause.

We Raised \$23,260 in 2023!

For more information about Women in Philanthropy, please contact Baxter Health Foundation at (870) 508-1770 or email foundation@baxterregional.org.

Annual Events

RAISED MORE THAN \$94,000

Rock the Barn

The Mruk Family Center on Aging held their annual fundraiser, Rock the Barn in April at the Baxter Health Wellness Education Center. This 'barn style' building was decorated with a western flair – perfect for this event! The evening featured the Jerry Hopper band, a silent auction with themed baskets and a 50/50 drawing. A delicious BBQ dinner provided by Anstaff Bank was enjoyed by all and volunteers from the Mruk Center provided irresistible desserts. A great time was had by over 100 attendees and **over \$27,000 was raised** to support this vital community service.

Boos & Brews Monster Gala

The Schliemann Center for Women's Health Annual event is their main fundraiser that always draws a great crowd and plays a major role in supporting the house. The Boos & Brews Monster Gala was held on October 14th and guests enjoyed a Halloween themed party featuring a building full of spooky decorations, a costume contest, local favorites for dinner and DJ Jared Green provided the music. Guests had a blast with 'jewelry pong' provided by Carter's Jewel Chest. Many local businesses and individuals donated silent auction items that **helped raise over \$24,000** to support programs and services offered at the Center.

Kick Cancer in the Bass

The Peitz Cancer Support House held their 3rd Annual Kick Cancer in the Bass fishing tournament fundraiser on November 4 on Bull Shoals Lake. **Over \$27,000 was raised** in this event held out of Bull Shoals Boat Dock. There were 100 anglers participating, having a great time and supporting the cause. Events like these raise funds for programs, services and support options provided to cancer patients and their loved ones.

Outrun Cancer 5K

The Peitz Cancer Support House held their 1st Annual 5K – Outrun Cancer. This was held on September 9th on the Arkansas State University Mountain Home campus and **raised \$16,242**. This event served as an opportunity for those touched by cancer to gather together to honor, remember and support those affected by cancer.

95 Caregivers Honored in 2023

After receiving care at Baxter Health, many of our patients and their families often tell us it is difficult to express the gratitude they feel for the caregivers that touched their life in a special way. The Heroes with Halos program provides them with an avenue to say 'Thank you' and to also provide a gift to the area of their choice.

Heroes with Halos Story

My husband and I would like to say THANK YOU to the entire Baxter Health Acute Inpatient Rehab Team for the exceptional care you all provided to our mother while she was on your unit.

First, we would like to say thank you to Dr. Elders and Dr. Bandy for finding the answers she/we needed, that allowed her to make an informed decision on the appropriate path of care for her going forward. Thank you Dr. Elders for understanding her decision and assisting us in making plans for her next level of care.

Next, THANK YOU to Michael, Kamie and Katie for the care and compassion you showed not only to our mother,

but also to us. Nick— thank you for bringing a smile to her face every time you came into her room Susan, thank you for answering all my questions and assisting us in transitioning to the next level of care.

Last, we want to say THANK YOU to EVERY team member, the nurses, techs, therapists, secretaries and SW on the Rehab Unit for the excellent, compassionate care you provided. We know her plan changed while she was on the unit and you all understood – and treated her like she was your family. We always knew when we were not there, she was in great hands.

The care, compassion and love you all showed her, my husband and myself means the world to me. This team truly is the best in the hospital.

For more information, call (870) 508-1779 or visit our website baxterhealth.org/foundation and go to heroes with halos.

**GIVING
TUESDAY**

GIVING TUESDAY Raised Over \$104,000

Giving Tuesday was held on November 28th. Thanks to the Baxter Health Auxiliary, who matched gifts up to \$50,000, there was a one-day total of more than \$104,000 donated to the Baxter Health Community Houses!

Major Gifts

2023 TOTAL \$1,207,626

In 2023, thanks to our donor commitments, we were able to provide so many needed items, equipment and services because of your generosity.

ER Stretchers - \$50,000

This generous and anonymous donation of \$50,000 was used to purchase six new Stryker® stretchers for our Cline Emergency Center. These state-of-the-art stretchers are designed with both clinicians and patients in mind. The new stretchers aim to reduce physical strain on medical staff, enhance patient comfort during transport, and drive overall hospital efficiency. A standout feature of these new stretchers is the integrated scale system. Patients can be weighted once they are laying on the stretcher, enhancing both clinical outcomes and patient experience.

Chest Compression Device - \$21,000

The Women in Philanthropy Group donation was used to purchase a new LUCAS® Chest Compression Device for the Ambulance Department. This device offers high-performance, continuous chest compressions with less strain and extends the reach of care during transport. By increasing provider safety, avoiding fatigue over long durations and reducing transport risks by allowing caregivers to sit belted, the LUCAS device can help calm the scene and provide an extra pair of hands.

GI Scope for Outpatient Surgery Center - \$50,000

We extended a heartfelt thank you to Bob and Mary Walker for their generous donation which was used to purchase an Olympus® Video Gastroscope to help detect colon cancer in its earliest stages. Early detection enables earlier treatment and increases your likelihood of recovery.

The video gastroscope includes an array of advanced features to support both upper and intra-operative endoscopy that will help detect signs of inflammation or infection in the colon, which can lead to other illnesses if left untreated.

This technology allows for a more precise diagnosis and effective treatment. Colorectal cancer is the third most commonly diagnosed cancer in the United States. If detected early it is one of most curable cancers. Pictured with the new scope is Dr. Dyer, Gastroenterologist.

3 New Ultrasound Machines - \$425,000

Our fundraising efforts in 2023, helped us purchase 3 new ultrasound machines that include updated technology to allow Baxter Health to offer new services including imaging the liver for fibrosis, called Liver Elastography. Our radiology

department will also be able to better serve our communities needs with this additional equipment. Last year alone, our radiology department did almost 12,000 ultrasound procedures!

CuddleCot™ - \$8,000

In lieu of a baby shower, local social media influencer Karla Bradley, a mother of 9 children and the wife of neurosurgeon Dr. Lucas Bradley, held an online fundraiser, and over \$8,000 was donated to the Baxter Health Foundation from individuals all over the world to facilitate the purchase of a CuddleCot.

The addition of a CuddleCot at the Women and Newborn Care Center is a valuable service to families who are experiencing the loss of a newborn baby. The cooling unit can be placed inside a Moses basket or crib and allows families to spend more time with their deceased newborn, enabling precious moments of bonding and closure.

The Last Ask Black Tie Gala - Raised Over \$200,000

Baxter Health Foundation surprised Barney Larry with an event to honor his years of service working in our Foundation and at Baxter Health. The Last Ask was a black tie gala to create an everlasting legacy through the creation of an endowment named in his honor!

This event was a night of celebration with opportunities for the guests to pledge their commitment towards the new Barney Larry Endowment. We wanted to build a legacy in his honor, a way for his name and his commitment to our hospital to live on in perpetuity.

WAYS TO GIVE

Many Ways to Leave a Gift

Gifts can be given now or gifts can be given in the future, which we refer to as a deferred gift.

Baxter Health Foundation loves to be creative with gift planning with our donors. Leaving a gift helps to secure

the financial future of Baxter Health so that we can continue providing quality healthcare services to your loved ones and future generations. It helps to leave a legacy that will perpetuate for patients to continue to receive compassionate healthcare.

Let's Plan Together

Choosing to leave a deferred gift can be very simple.

There are several ways to do so:

- Simple Bequests
Initiated through a will or a trust
- Beneficiary Designations
Added on bank accounts, investments, life insurance policies, or retirement accounts
- Charitable Trusts
Baxter Health Foundation as a designated charity
- Charitable Gift Annuities
Earn income and have personal satisfaction from your donation

A Charitable Gift Annuity

A charitable gift annuity is a great way to leave a Legacy but still allows you to reach a specific income level.

A charitable gift annuity allows you to receive income for your lifetime while still being able to make a charitable contribution to Baxter Health Foundation. Charitable Gift Annuities (CGA) can provide you with risk-free income. A gift of stock, real estate or cash to the Baxter Health Foundation gives you the security of lifelong

payments that are not subject to market risk. The amount of income is determined by your age at the time of your gift. We offer single and dual life options for Charitable Gift Annuities.

The CGA meets the needs of many who wish to give, but want to make certain they have first provided for their own financial needs and those of their loved ones.

Do Good, Be Good, Feel Good

Choosing to leave a deferred gift to Baxter Health Foundation is an honorable decision that helps to enhance healthcare and longevity at Baxter Health. We know these gifts are as important to you as they are to us, as they impact the healthcare for patients that come to Baxter Health.

If you would like to know more about how you can partner with us, please call 870-508-1770.

2024 Annuity Rates

Single Life		Double Life	
Age	Rate	Age	Rate
65	5.7%	65/70	5.2%
75	7.0%	75/80	6.5%
85	9.1%	85/90	8.7%

Rates are set by the American Council on Gift Annuities and are subject to change.

For more info or to request a CGA proposal to review with your financial/tax advisor, please contact us at (870) 508-1770.

Legacy Society

NEW DEFERRED GIFTS IN 2023

\$1,590,000

Passionate Philanthropy

Legacy Society is where philanthropists that have a passion for the growth and independence of Baxter Health, join together to improve healthcare at Baxter Health.

Legacy Society members are those who have made a deferred gift to Baxter Health Foundation.

Your gift can be made through a will, a charitable remainder trust, an insurance policy, an IRA or a charitable gift annuity, etc. Gifts can be designated in a variety of ways.

Call us to talk about what creative ways we can find together to help you leave the Legacy you desire for your community hospital.

Legacy Society Gatherings

The Legacy Society has several gatherings throughout the year that allow us to spend time with each other. It's the Foundation's way of saying "thank you" now for the future gift.

How Do I Become a Legacy Society Member?

In order to become a Legacy member, you can designate Baxter Health Foundation as beneficiary or in a bequest. We ask all members to fill out a Legacy membership form and a copy of the beneficiary designation page. Give us a call and we would be glad to walk you through this process 870-508-1770.
